

CAGE-FREE SOLUTIONS* MADE SIMPLE

Whether you want a fully-prepared cage-free egg patty or cage-free liquid eggs to customize your own creation, Sunny Fresh has you covered.

Cage-free eggs are just part of a larger trend around animal welfare that is being driven by millennials with a whopping 83%* of millennials saying they take animal welfare into account when making food purchases!

MENU TIP: Pair with other premium products such as grass-fed, antibiotic-free or locally sourced ingredients to create an upselling opportunity.

To help you take advantage of the cage-free trend, Sunny Fresh offers you two products that:

- Come from 3rd party certified cage-free hens**
- Eliminate the waste, labor and cross-contamination that can come with shell eggs
- Contain 4g of protein per serving

Two products available:

31000: Prepared Egg Patty

Ideal product for expanding your sandwich offering to include a premium, better-for-you alternative for consumers.

Case: **260/1.5 oz**

10081: Liquid Egg Carton

Frozen cartons allow you to simply thaw and use what you need when you need it.

Case: **12/2 lb Carton**
